The value of treating others with compassion and open-mindedness is like a compass to me, which accompanies me through my daily police service and guides my actions in a positive way.

Invitation

„COPpuccino - Meet the Police“

On the occasion of the Münster „Weeks against Racism 2023“, the Münster Police invites you to a „coffee break“: Come and talk to police officers while enjoying a hot drink in a relaxed atmosphere and get to know the people behind the uniform. Feel free to ask us anything that you always wanted to know about the police.

When? 29.03.2023, 10 am - 4 pm

**Where? In front of the LWL Museum (Rothenburg/
Pferdegasse)**

Everybody is welcome – we’re looking forward to see you!

Your Münster Police

By the way: If you don't like coffee, you could also get a tea.
